

# Rain

Author: Patrick Duane  
Original Key: A#  
(Chords in key of G, Capo 3)

## Verse 1

Em7            D  
Hear the rain  
          Em7                            D  
and feel the rolling thunder  
Em7            D  
Hear the rain  
          Em                            Gadd5   D  
Oh, hear it's calming patter

Em7            D  
Hear the rain,  
Em7                            D  
such a work of wonder  
Em7            D  
Hear the rain,  
          Em7                            Gadd5   D  
and know it speaks God's power

## Chorus

          Gadd5                            Dsus            D  
The wonders of the universe, pow'r beyond control  
          Am                            Em            C            D  
It's more than we can fathom or can ever truly know  
          Gadd5                            Dsus            D  
But by Your Holy power You set it all in place  
          Am                            Em            C                            D  
And with every passing hour You keep it by Your grace

## Verse 2

Em7            D  
 See the sky  
 Em7                            D  
 Look with awe and wonder  
           Em7                    D  
 As the power of God  
 Em7                            Gadd5   D  
 Paints our world with color  
 Em7                    D  
 See the sky  
           Em7                            D  
 No power on earth is greater  
                           Em7                    D  
 Than each star in the night  
           Em7                            Gadd5   D  
 That bathes our world in soft light

## Chorus

          Gadd5                            Dsus            D  
 The wonders of the universe, pow'r beyond control  
           Am                            Em            C            D  
 It's more than we can fathom or can ever truly know  
           Gadd5                            Dsus            D  
 But by Your Holy power You set it all in place  
           Am                            Em            C                    D  
 And with every passing hour You keep it by Your grace

## Bridge

Em7  
 Hear the rain  
 Em7  
 See the sky  
 Em7  
 Feel His power  
 Em7    D (3<sup>rd</sup> time only)  
 And know that our God is nigh  
 (Repeat 2x – 1<sup>st</sup> time quiet, 2<sup>nd</sup> time build, 3<sup>rd</sup> time strong)

## Chorus

Gadd5                      Dsus              D  
 The wonders of the universe, pow'r beyond control  
 Am                      Em              C              D  
 It's more than we can fathom or can ever truly know  
 Gadd5                      Dsus              D  
 But by Your Holy power You set it all in place  
 Am                      Em              C                      D  
 And with every passing hour You keep it by Your grace  
 (Repeat)

## Creator Chorus

Gadd5                      Dsus              D  
 Creator of the universe, all pow'r in Your control  
                                  Am                      Em              C                      D  
 You're so much more than we can fathom or can e'er completely know  
 Gadd5                      Dsus              D  
 By Your Holy power You set all things in place  
                                  Am                      Em              C                      D  
 But with every passing hour You keep me in Your grace

## Outro

Em7  
 Hear the rain  
                                  Em7  
 and feel the rolling thunder  
 Em7  
 Hear the rain,  
                                  Em7                      G  
 and know it speaks God's power
