

# Entropy

Chords in key of G

Recording in key of A (G capo 2)

## Intro (x2)

Em G Am C

## Verse 1

Em G  
My attention a million things demand  
Am C  
To stay afloat in this chaotic land.  
Em G  
Should I ignore them, they threaten to make  
Am C  
My weary, weathered spirit break.

Em G  
But you tell me to worry not  
Am C  
My well-being is your ultimate thought  
Em G  
My success is your desire  
Am C  
You want only to lift me higher

## Chorus

G Em  
I will trust that your words are true  
D/F# C  
That you're guiding me to make it through  
G Em  
You're leading me to a better place  
D/F# C  
And You lavish me with unending grace.

## Intro (x2)

Em G Am C

## Verse 2

Em G  
There are things for which I often pray  
Am C  
Yet they're still unanswered to this day  
Em G  
I wonder when you'll come through  
Am C  
Or if you will simply refuse.

Em G  
In your Word you say to wait  
Am C  
Though it may seem to have doomed fate.  
Em G  
My prayers you'll answer when the time is right.  
Am C  
And you'll come through with your endless might.

## Chorus (x2)

G Em  
I will trust that your words are true  
D/F# C  
That you're guiding me to make it through  
G Em  
You're leading me to a better place  
D/F# C  
And You lavish me with unending grace.

## Instrumental (x2)

Em D/F# G C

**Bridge (x3)**

Em                    D/F#  
The enemy is pressing me  
G                                  C  
I'm crushed under everything  
Em                    D/F#  
From the sea, save me I plea  
G                                  C  
Before I drown in the entropy.

**Chorus (x2)**

G                                  Em  
I will trust that your words are true  
                                D/F#                    C  
That you're guiding me to make it through  
G                                  Em  
You're leading me to a better place  
                                D/F#                    C  
And You lavish me with unending grace.

**Outro (x2)**

Em      G      Am      C
